

JINDAL STEELS

Dealers of SAIL & V.S.P
Dealers in Iron & Steel

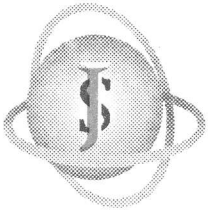

We introduce ourselves as a leading and most privileged stockist of Steel Authority of India (SAIL) and Vishakapatnam Steel Plant (VSP) for their long and flat mild steel products in the states of Karnataka and Tamilnadu.

We are a three decade partnership company engaged in mild steel trading based at Bangalore. The dedicated work and three decade experience put by our promoters Mr.Mohanlal Jindal and by his son Mr.Sushil Kumar Jindal who has qualified in engineering has poised to reach a remarkable position in steel industry with huge set of satisfied retailers & project developer client base throughout India.

The potential of maintaining high level of inventory levels in our product line in Karnataka region and capacity to offer products at much competitive prices at par with manufacturing companies has put ourselves in serving with high net worth companies and Multinational companies and Infrastructure players which are targeting Bangalore as their base for operations and involved in road and bridge projects.

We have got 7 acres of Stock yard at Budhigere cross,Hoskote Road where we have in house 60Mt weigh bridge along with mobile cranes and been tied up with reputed logistics group to handle bulk volume of incoming and outgoing steel products.

We have a high speed superior imported computer operating Schnell Italy Decoiling & Stirup machine which can deliver straight rods as well as cut to length as per customer requirement along with many other indian made machineries for decoiling and rebar bending to meet customer requirements at any given time.

JINDAL STEELS

Dealers of SAIL & V.S.P
Dealers in Iron & Steel

Advantages of Cut to length & Stirrups:-

*Huge saving on material compared to traditional way of cutting material to required length on site due to wastage of single rod for every 1.200Mt of material in the diameters of 8/10/12.

*More productivity on site compared to regular length

*Theft at project site can be easily monitored and controlled due to receipt of material as per structural drawing.

Stirrups made of accurate angle with suitable mandrel thus providing more strength to the rebar.

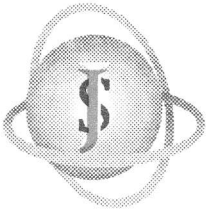

Our Products include:-

*Long Products:-

- (01)MS Angle
- (02)MS Beams
- (03)MS Channels
- (04)MS TMT REBARS
- (05)MS Square Pipes
- (06)MS Round Pipes
- (07)ERW PIPES
- (08)MS Billets
- (09)MS Solid Rounds
- (10)MS Flats

*Flat Products:

- (1)HR Sheets, Plates & Coils
- (2)HR Chequered Plates
- (3)Galvanised Sheets(GP & GC)
